Typography & Colors

Italianno Regular

Italianno Regular is used only when the company title, Downtown Donuts, is used in a heading or as a decorative element. It is not used in a block of text or for paragraph text.

Montserrat Regular

Montserrat Regular is used as the primary header and body text font. It should only be used in its Regular style unless used for quotes, references, or emphasis, in which case Italic may optionally be used.

#10291D	Dark Green - Used for dark backgrounds on pages, or sections of pages.
#F7C64A	Saffron - Used for dividing lines, decorative elements, and the logo when on a dark background.
#F7F7F7	Seasalt - Used for backgrounds, and text on colored backgrounds.
#F7C64A	Cool Gray - Used very sparingly for tertiary elements and small details.

Text should be Black (#000000) if on a Seasalt background, or Seasalt if on a color background. Do not use Black backgrounds.
